

The Rockwood Anchor Bar

There are many competitive products in the marketplace to choose from, but only Rockwood delivers the level of quality and service you can trust.

We are the Professional's first choice for Commercial, Governmental, Industrial, and Residential applications. Around the world, Rockwood is regarded as the leader in Appearance, Dependability and Efficiency.

Our patented line of products are free from pins and clips, eliminating costly errors and oversight. Rockwood's integral Anchor Bar and Rear-lip systems ensure proper alignment and precise setback the first time and every time — so you can rest assured, what you build will last.
